Airbnb Listings Density by Neighborhood

Room Type: Entire home/aptPrivate roomShared room

This map displays the density of Airbnb listings across the United States, with a focus on the Northeast and Midwest. Major cities are marked with colored dots: blue for Entire home/apt, dark blue for Private room, and orange for Shared room. The map includes state names and city labels. A legend at the bottom left identifies the room types by color.

Listings by Room Type

The donut chart illustrates the distribution of Airbnb listings by room type. The data is as follows:

Room Type	Count	Percentage
Entire home/apt	467bn	50.21%
Private room	432bn	46.48%
Shared room	27bn	2.86%

Top 10 Neighborhoods by Number of Listings

This bar chart shows the top 10 neighborhoods by the number of listings. The y-axis represents the number of listings (0K to 4K), and the x-axis lists the neighborhoods. The legend indicates that blue bars represent Brooklyn and dark blue bars represent Manhattan.

Neighborhood	Group	Number of listings
Williamsburg	Brooklyn	~3900
Bedford-Stuyvesant	Brooklyn	~3700
Harlem	Manhattan	~2600
Bushwick	Brooklyn	~2400
Upper West Side	Manhattan	~2000
Hell's Kitchen	Manhattan	~2000
East Village	Manhattan	~1900
Upper East Side	Manhattan	~1800
Crown Heights	Brooklyn	~1500
Midtown	Manhattan	~1500

Distribution of Listings, Average Price, and Reviews by Availability and Room Type

This horizontal stacked bar chart shows the distribution of listings by availability and room type. The y-axis lists the availability levels, and the x-axis represents the number of listings (0K to 20K). The legend indicates that purple represents Not Available, blue represents Entire home/apt, dark blue represents Private room, and orange represents Shared room.

Availability	Room Type	Number of listings
Not Available	Entire home/apt	~8000
	Private room	~8000
	Shared room	~100
Low Availability	Entire home/apt	~6000
	Private room	~6000
	Shared room	~100
Moderate Availability	Entire home/apt	~6000
	Private room	~6000
	Shared room	~100
High Availability	Entire home/apt	~4000
	Private room	~4000
	Shared room	~100
Full Availability	Entire home/apt	~1000
	Private room	~1000
	Shared room	~100
